Thank you Jamey – right now I'm leading towards about 2100/29th, right after the barge completes a delivery to a Tote ship but let's touch base again first thing Monday the 27th to get her current status?

Good Day Lee,

Presently we are looking at 29/0900 ETB, 30/1700 ETD for the SOFIA EXPRESS, WUT in Tacoma.

Best Regards,

Jamey Morrison

Got the order to supply 2700 mt to the Sofia Express.
Let me know when you have a good handle on her port schedule?

Thanks!
Lee
